Radio Victoria is broadcasting a campaign called "The Right to Communication is a Human Right" which

contemplates 3 areas: production, emission y reception and aside from broadcast media there are artistic expressions and other forms. Communication should not be a privilege for a few, it is a right that we all have and should be guaranteed by a law that permits everyone to have access to communication media in those three areas.

¿Para quienes es el derecho humano a la comunicación?

Para todas y todos

La comunicación no es un privilegio, es tu derecho

November 1st is
 "National Salvadoran
 Radio Announcers Day"
 Congratulations to Radio
 Victoria's On the Air
 Communicators on their day!

We are grateful for the visit of
 2 Peruvian teachers on
 November 9th and for taking the
 time and interest to learn about
 our communication project
 as well as organizing in the
 Santa Marta Community.

On November 14th
 Santa Marta
 commemorated 40 years
 since the peasant
 massacre of Santa Cruz,
 which occurred from the
 night of November 15th
 and the early hours
 of the 16th
 in 1981 as well as the
 1989 Rebel Offensive.

On December 11th
 Ana López & Marixela
 Ramos of Radio
 Victoria participated
 in an evaluation
 session of the Women
 Defenders Network of

Cabañas at the close of 2021.

Communities remembered their environmental martyrs Marcelo Rivera, Ramiro Rivera y Dora Sorto with a mass in the Metropolitan Cathedral next to Monseñor Romero's crypt. The perpetrators of this triple crime have never been identified. El Salvador still suffers from the negative impacts of passed mining activities. Communities urge the Government to implement the Law that Prohibits Metallic Mining.

Radio Victoria accompanied women from the Santa Marta Community who participated in the march to demand justice for disappeared & assassinated women on the Day to Eliminate Violence Against Women which is commemorated every November 25th.
